An owner of more than one Lot shall be entitled to one membership for each Lot owned by him. Each such membership shall be appurtenant to the Lot upon which it is based and shall be transferred automatically by conveyance of this Lot. No person or entity other than an owner or the Developer may be a member of the Association, and a membership in the Association may not be transferred except in connection with the transfer of title to a Lot; provided, however, that the rights of voting may be assigned to a mortgagee as further security for a loan secured by a lien on a Lot.

- C. **DEVELOPER CONTROL.** Until thirty days after all Lots have been conveyed to purchasers in Phase 4 and any subsequent phases of the Subdivision (the Developer's period of control), the Developer or persons authorized by it may appoint and remove the members of the board of directors and the officers of the Association and exercise the powers and responsibilities otherwise assigned by this Declaration of Restrictions to the Association and its officers.
- D. **MEMBERSHIP ELECTION OF BOARD.** There shall be no formal meetings of the Association until such time as the Declarant's control of the Association, Board of Directors of the Association and the Architectural Control Committee has been terminated in accordance with these Deed Restrictions and the bylaws of the Association, except as otherwise determined by the Declarant or if requested by the owners of one fourth or more of the votes entitled to be cast by the membership of the Association. Thereafter, not later than forty-five (45) days after expiration of any period of control by the Developer, the members of the Association shall meet and Lot owners shall elect all members of the board of directors of the Association. Said board of directors shall also constitute the ARCHITECTURAL CONTROL COMMITTEE.
- E. **VOTING BY MEMBERS.** The members of the Association shall be all Lot owners including the Developer and they shall be entitled to one vote for each Lot owned. The vote for each Lot shall be exercised as the members determine, but in no event shall more than one vote be cast with respect to any Lot. There can be no split vote.
- F. **NOTICES OF AND QUORUMS FOR MEETINGS .** Written notice of meetings of the members of the Association shall be mailed to members at their homes not less than 10 days, but not more than 30 days prior to meetings of the membership. A quorum shall be a majority of the membership; provided, however, in the event such majority is not in attendance at such meeting at the time stated in the notice of the meeting for the meeting to commence, the meeting may be adjourned for up to one hour. If at that time a majority of the membership is not in attendance, the members in attendance shall be deemed to constitute a quorum and all actions taken at such meeting shall be effective and binding upon the Association and all members of the Association, provided that all other procedures comply with the organizational documents of the Association and any applicable law .
- G. **COVENANT FOR ASSESSMENTS.** The Developer, for each Lot owned by it, hereby covenants, and each owner of any Lot by the acceptance of a deed therefor, whether or not it be so expressed in the deed, shall be deemed to covenant and agree with each other and with the Association to pay to the Association such sums as may be properly assessed for the purposes provided in this Declaration of Restrictions if required to fulfill its obligations under this Declaration of Restrictions.

The assessments levied by the Association shall be used exclusively to pay for the maintenance of the Association maintained entryway areas to the subdivision, entry signs, light fixtures and power for light fixtures used to illuminate entry signs and any planting islands in public rights of way within the subdivision.

The board of directors of the Association shall fix the annual assessment. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, any deficit, provided that any such assessment shall have the assent of a majority of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of any meeting called for the purpose of taking any action as authorized under the above paragraph shall be sent to all members and any mortgagee who shall request such notice in writing not less than 10 days nor more than 30 days in advance of the meeting.

Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on an annual basis.

The annual assessments provided for herein shall commence as follows:

1. As to each Lot owned by the Developer, on the first day of the month following the issuance of a building permit for such Lot; and
2. As to a Lot conveyed to an owner, upon closing of the purchase.

The first annual assessment for a Lot shall be payable at closing of the initial purchase of a Lot from the Developer. The board of directors shall fix the amount of the annual assessment against each unit at least 30 days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Lot owner subject thereto. The due dates shall be established by the board of directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

All sums assessed to any Lot pursuant to this paragraph together with interest thereon as provided herein, shall be secured by a lien on such Lot in favor of the Association. To evidence a lien for sums assessed pursuant to this paragraph, the Association may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the owner of the Lot and a description of the Lot. Such a notice shall be signed by an officer of the Association and may be recorded in the office of the Clerk of the Circuit Court or Register of Deeds of Ozaukee County, Wisconsin, within two years after the assessment becomes due. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Association in the same manner as mortgages on real property are foreclosed in Wisconsin. In any such foreclosure, the owner shall be required to pay the costs and expenses of filing the notice of lien and all reasonable attorney's fees. All such costs and expenses shall be secured by the lien being foreclosed. The owner shall also be required to pay to the Association any assessments against the unit which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the unit as the owner thereof.

A release of lien shall be executed by the Association and recorded in Ozaukee County, Wisconsin real estate records, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien.

Any encumbrancer holding a lien on a unit may pay, but shall not be required to pay, any amounts secured by the lien created by this paragraph, and upon such payment such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including priority.

Any assessment not paid within 15 days after the due date shall bear interest from the due date at such rate as may from time to time be fixed by the Association but in no event at a rate greater than permitted by law. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his unit. A suit to recover a money judgment for unpaid expenses hereunder shall be maintainable without foreclosing or waiving the lien securing the same.

A Lot owner shall have no right to vote at any meeting of the Association during all the time that an assessment against his Lot is unpaid for more than 15 days.

The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage which was recorded prior to the making of such assessment. Sale or transfer of any unit shall not affect the assessment lien. The sale of a unit pursuant to a mortgage foreclosure shall extinguish the lien of such assessments upon confirmation of the foreclosure sale and final distribution of all of the proceeds of the sale. As to payments which became due prior to the date of such sale, such unpaid assessments shall be deemed to be common expenses collectible from all of the Lot owners other than the foreclosure sale purchaser, his successor and assigns. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

H. **RELATION TO BYLAWS.** The provisions of this paragraph may be amplified by the By-Laws of the Association; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the owners set forth herein.

26. **RIGHTS AND OBLIGATIONS OF THE ASSOCIATION.** The Association, subject to the rights of the owners set forth in this Declaration of Restrictions, shall be responsible for the maintenance of the subdivision signs and lights at the initial entrance of the subdivision and any additional entry points which may be established for the subdivision, together with the adjacent landscaping, any landscaping islands in public rights of way within the subdivision and such other matters pertaining to any improvements within the subdivision as the board of directors shall determine. The Association may obtain and pay for the services of any person or entity to carry out the maintenance responsibilities described herein.

## 27. **ARCHITECTURAL CONTROL COMMITTEE**

A. **MEMBERSHIP.** So long as the Developer shall own any of the Lots in the area commonly known as SHADY HOLLOW and including all phases of said subdivision, the authority and functions of the Architectural Control Committee shall be lodged in and exercised by the Developer at such time as the Developer no longer owns any of said land, the Architectural Control Committee shall consist of three (3) Lot owners elected by the membership with the owner (s) of each Lot getting one vote per Lot. Members of the committee shall serve for three (3) years or until their

successors have been duly elected. Due notice of the election of such successors shall be filed in the office of the Register of Deeds for Ozaukee County.

**B. PROCEDURES AND JURISDICTION ON MATTERS COMING BEFORE THE ARCHITECTURAL CONTROL COMMITTEE.** The vote of the majority of the members of the ARCHITECTURAL CONTROL COMMITTEE shall be the controlling vote and shall be construed to be the vote of the entire committee. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee or its designated representative fails to approve or disapprove within thirty (30) days after two (2) identical sets of plans and specifications have been submitted to it, approval will be deemed to have been obtained insofar as required by paragraph 5 hereof only; all other provisions of these restrictions to have full force and effect. Action by said committee shall be final and conclusive as to persons then or thereafter owning lands in said development. The ARCHITECTURAL CONTROL COMMITTEE shall have exclusive jurisdiction to determine whether the area requirements of a one-story building or a two-story building apply to a particular proposed structure and shall likewise have the power, in its exclusive judgment and discretion to reduce the foregoing minimum requirements as to area, at finish grade elevation by not more than fifteen percent (15%) of the area hereinbefore specified. Any such action by such committee shall be final and conclusive.

**28. SPECIAL BUILDING LIMITS FOR ALL LOTS** The boundaries of building envelope for all Lots in SHADY HOLLOW PHASE 4 are shown on the final plat. These boundaries define the outer limits that are permitted for construction of a house. In the event the developer determines such limits are appropriate for subsequent phases of the subdivision and denotes such limits on the plats for those phases, such limits shall be similarly binding upon the owners of those Lots.

**29. FILLING RESTRICTIONS** All Lot owners are required to cause the grading on their Lot to comply with the master site grading plan which is on file with the Village of Grafton. There shall be no filling within preserved woodlands or on steep slopes.

**30. CONSTRUCTION DEPOSIT**

At the time of closing on a lot, a construction deposit in the amount of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) ("Construction Deposit") shall be collected from the Buyer and held in an escrow account by Seller. This Construction Deposit is required to assure compliance with the terms and conditions of the Deed Restrictions, particularly those which deal with contractor cleanup, lawn damage, damage to street curbs, gutters or sidewalks, and that the lot owner and its contractors will take adequate measures to protect the street trees during the construction and landscape process. In the event the Owner is unable to obtain compliance of its contractors rendering cleanup, installation, repair or replacement necessary by the Seller, such costs will be deducted from the Construction Deposit. In the event no deductions are made or there is a balance remaining after any deduction, the balance of the Construction Deposit shall be returned to the Owner upon completion and first occupancy of the residence or after all landscaping, including retaining walls, is completed, whichever is later, within thirty (30) days of Owner's written request.

**31. DURATION AND ENFORCEMENT**

A. The restrictions herein contained shall be deemed to be covenants running with the land and shall be binding on all parties and persons having an interest in the land affected hereby for a period of twenty-five (25) years from the date this Declaration of Restrictions shall be recorded, after which time this Declaration of Restrictions shall be automatically extended for successive periods of five

(5) years unless an instrument signed by the owners of a majority of Lots has been recorded changing said covenants in whole or in part or reducing the term. The restrictions and covenants herein contained may be enforced by proceedings at law or in equity against any person or persons violating or attempting to violate the same.

B. The following persons shall have authority to maintain an action for enforcement of these restrictions and covenants:

1. The Developer, so long as the Developer shall own any Lots or parcels within the subject subdivision or immediately adjacent thereto;

2. The ARCHITECTURAL CONTROL COMMITTEE;

3. Any owner of a Lot or parcel in the subject subdivision affected by an alleged violation of these restrictions and covenants.

C. No action shall be commenced to enforce such restrictions or restrain the violation thereof unless such action is commenced within one (1) year after the completion of the building complained of, one (1) year after the commencement of regulated or prohibited activity, or one (1) year after the allotted time limit to complete the improvement. Invalidity of any of the covenants or restrictions herein contained by any judgment or court order shall in no way affect any of the provisions herein contained which shall remain in full force and effect. Any person determined to have violated these restrictions and covenants shall be liable for all costs of enforcement, including reasonable, actual attorney fees to the person or persons incurring same.

32. **LOCAL ORDINANCES.** All Lots shall be subject to all ordinances, zoning laws and other restrictions of the Village of Grafton, U.S. Army Corps of Engineers, Ozaukee County and the State of Wisconsin applicable thereto. In the event of any conflict between these restrictions and any statutes, ordinances or municipal regulations, compliance with the more restrictive provisions shall be required.

33. **AMENDMENT.** Any of foregoing restrictions' protections, covenants, charges or provisions may be annulled, waived, changed modified, or amended at any time by written declaration setting forth such annulment, waiver, change, modification or amendment, executed by the owners of at least sixty percent (60%) of the Lots and with the consent of the Developer as long as the Developer shall own any of the land in said development.

IN WITNESS WHEREOF, the undersigned has executed this agreement this 29 day of
